WORK EXPERIENCE

1 Apr 2017–Present

Front End Developer

UNE® SA, Genève (Switzerland)
www.une.ch

- creating new projects (HTML, CSS, JavaScript(Vue.js) etc)
- maintaining and bug fixing older projects
- improving the custom CMS(React.js)
- giving feedbacks to the designers
- brainstorming with designers on how to improve the UX on their designs

So creating a website at UNE we use Vue.js as a framework of JavaScript. Axios to perform HTTP requests, store data with vuex, vue-router for routing, gsap for animations..

2016–Present

Co Founder

eGothix Creative Studio, Prishtine (Kosovo)
www.egothix.com

Founded in 2016, eGothix is a web design and development agency based in Pristina, Kosovo. We are a digital agency focused on high quality and extraordinary creative projects. With a creative team and very committed which offers web design and development, branding, design app.

2016–2016
